

Ca 1937 Barbell Cocktail Shaker set

Availability: Out Of Stock

Price: \$288.00

Short Description

Great looking set with textured glass

Description

This cocktail shaker set ca 1937 consists of the shaker with flat bottom for standing up and four identically matching glasses. They are textured and clear glass with the textured glass in what I think looks like a grayish purple, they also have silver bands. The set is in awesome shape with no chips, cracks and very minimal stripe wear, even the lid is like new inside and out.
