

Sterling Silver Overlay Frosted white Cocktail Shaker

Availability: In Stock

Price: \$488.00

Short Description

Very nice shaker with perfect sterling overlay.

Description

This is a very nice cocktail shaker with sterling silver overlay encircling the glass in a foxhound motif. The overlay looks darker than it really is and could be polished a little for a shiner look if desired. The shaker is in almost perfect condition with just a couple small dents in the chrome lid.
